

Tourney 30th Annual Central Florida Turf Research Tournament at Interlachen

Interlachen Country Club is hosting the **30th Annual Central Florida Turf Research Tournament** on **Monday, January 8, 2018**. This tournament is a joint effort of the Florida Turfgrass Association and the Central Florida Golf Course Superintendents Association to raise money for turfgrass research. It is also an excellent opportunity for your club's officials to learn more about the turf industry in a relaxed, informal environment and enjoy a round of golf. **This year the event is open for vendors. We do ask, however, that each vendor bring a golf course superintendent as his playing partner.** Complete the attached entry form and return it with your payment to **Interlachen Country Club** by January 5, 2018.
