

**Talk Shop Presented by Husqvarna**

**For Superintendents, Assistant Superintendents  
and Equipment Managers**

**Monday, August 25 – 11:00 am to 1 pm**

**Four Seasons Golf & Sports Club  
3451 Golf View Drive, Lake Buena Vista, FL 32830  
(Please park at Clubhouse)**

**Hosts: Stephen Tucker and Brad Bailey**

**Cost: Free** (Drinks and light snack to be provided)

We will have a short presentation discussing robotic mower capability and applications beginning inside the clubhouse at 11:00, before walking over to the range for a demonstration of the complete lineup of robotic mowers for golf courses.

The onsite demonstration will cover unit maintenance, cleaning procedures, and cut quality. What does it take to implement robotic mowers? We will answer that question and any others that you may have.

Husqvarna is the worldwide leader in robotic mowers with over 25 years of experience and more than 3 million units in operation worldwide. We currently have mowers in operation at over 40 of the top 200 golf courses in the US.

Our local dealer, GST, will be onsite to answer questions and help schedule site visits for anyone who is interested.
